2020 SCHOLARSHIP APPLICATION

For Arkansas Students in Civil Engineering or Related Transportation Field

+++++

Application Must Be Received At AGRF Before: May 1, 2020
Scholarship Recipient Notification By: July 31, 2020

Please make sure your application is submitted with all requested documents in a large envelope. Do not fold the documents.

Application forms may be printed or downloaded from the Good Roads Foundation website.

PROGRAM DESCRIPTION

The Arkansas Good Roads Foundation, with the support and cooperation of the Arkansas Department of Transportation, is pleased to present a scholarship program to qualifying students attending an Arkansas based college or university working towards a BS degree in civil engineering or a related transportation focused field, subject to the approval of the Executive Board of the Arkansas Good Roads Foundation.

Scholarships of up to \$5,000 each are being made available for qualified, outstanding students who will be juniors or seniors with two years or less (four semesters or less) of study remaining in pursuit of a degree in civil engineering or other related field toward future employment in the highway construction or transportation related industry and a strong and stated desire for that work to be in Arkansas for at least one year after ultimate graduation. The degree pursuit must be in an accredited program at an Arkansas based college or university. The number of scholarships awarded is not specific but will depend upon the funds available. By signing this application, it is understood that a student who violates any program policies, including, but not limited to, illegal, unethical or immoral conduct, may have his/her scholarship approval revoked.

ELIGIBILITY REQUIREMENTS

- Be enrolled in an accredited study program (civil engineering or other related field with an emphasis toward transportation and be in good standing)
- Be at the point of anticipating graduation within two years (four semesters or less).
- Have an overall GPA of 2.8 or higher on a 4.0 scale (or equivalent)
- Have expressed their desire and commitment to pursue employment opportunities within the highway construction or transportation related industry **in Arkansas** for a minimum of one year upon graduation from the accredited program.
- Scholarships may only be used for tuition, books, and required fees in their program of study. The scholarship checks will be made jointly payable to the student AND the school, for inclusion in the student's account. An IRS Form 1099 will, therefore, not be required or issued.

PLEASE SUBMIT THE FOLLOWING WITH YOUR APPLICATION:

- An official college transcript in a sealed envelope (originals only)
- Two (2) letters of recommendation
